Location: Hyderabad, India

EDUCATION

- **Vallurupalli Nageswara Rao Vignana Jyothi Institute of Engineering & Technology** Hyderabad, India
Bachelor of Technology - Computer Science and Engineering
Specialization: Artificial Intelligence & Machine Learning - Current CGPA: 8.475
2027 (Expected)
- **Acumen Junior College** Warangal, India
Intermediate (MPC) - Percentage: 91.6
2022
- **Shine High School** Warangal, India
10th Class - CGPA: 10
2020

KEY COURSES TAKEN

- **Computer Science and Engineering (AIML)** : Data Structures, Analysis of Algorithms, Introduction to Artificial Intelligence and Machine Learning, Object-Oriented Programming Through Java, DataBase Mangement System

SKILLS SUMMARY

- **Languages:** C, C++, R, Java, Python, JavaScript
- **Web Development:** HTML, CSS, React.js, Tailwind CSS
- **Database:** MySQL, MongoDB
- **Platforms:** Linux, Web, Windows
- **Tools:** VS Code, Git, Windows Server
- **Soft Skills:** Leadership, Event Management, Time Management
- **CS Fundamentals:** Data Structures, Algorithms, OOPs

PROJECTS

- **Home-Based Cloud Storage** In Progress
Developing a secure, family-friendly cloud storage system that enables users to store and access files remotely. Provides individual credentials for privacy and supports seamless phone backups. Eliminates reliance on third-party services while ensuring full control over data.
– **Tech Stack:** Windows Server, React.js, JavaScript
- **Web-Based File Sharing System** In Progress
Building a browser-based file-sharing platform for fast, secure transfers without external cloud services. Uses WebRTC for instant local sharing and PIN-based authentication for remote transfers, ensuring privacy.
– **Tech Stack:** HTML, JavaScript, WebRTC
- **TrainTrac** Completed
Developed a real-time train tracking system with live location updates using the IRCTC API. Provides train status, estimated arrivals, and real-time alerts for commuters via an intuitive interface.
– **Tech Stack:** HTML, CSS, JavaScript

EXPERIENCE & ACHIEVEMENTS

- **6 months of coding streak:** Completed 200 LeetCode problems
- **ISTE Volunteer:** Part of Technical & Design teams
- **Photography Club:** Covered various college events
- **SEBI Investor Certification:** Achieved a perfect score of 50/50 in the SEBI Investor Certification Exam, enhancing expertise in financial markets and investment strategies.

INTERESTS

- **AI/ML & Quantum Computing:** Exploring emerging technologies
- **Trading & Investing:** Following market trends and actively trading in options, futures, intraday, and long-term investments, including mutual funds and IPOs.
- **Competitive Programming:** Problem-solving and efficiency optimization
